Total Hours of engagement

Number of hours of engagement provided to children/youth since the beginning of the grant

Project Narrative

Each grantee is required to submit a project narrative at the end of the grant period that includes an analysis of progress and outcomes.

Please describe how grant funds were expended to support and engage youth interested in health care services within the fields of children's oral and/or mental health.

Please indicate the number of children/youth engaged and frequency and methods of engagement.

Please describe outcomes achieved as a result of grant funded activities.

Please provide a budget narrative associated with grant funded line-items.

What is your current assessment of your ability to sustain the program at the end of the grant period? If appropriate, describe activities toward achieving sustainability.

Attachments

To find templates and instructions for this section go to the ILCHF website (ilchf.org) and click on "Grantee Instructions" and then "Grantee Reporting". Please label all attachments starting with your organization name i.e., 'Illinois Children's Healthcare Foundation 2021 SASS RFP Budget Template'. If one of the required documents is not applicable for your organization please attach a note in its place explaining why the document cannot be provided. Please attach the following:

A line-item budget for grant funded activities and expenditures for the period of the grant to date.

Please use budget template on the website (see Grantee Reporting Budget Worksheet).

A completed officer's certification form.

Please use template on the website (see Officer's Certification Form).

Any copies of material relating to the funded project: press or news items, brochures, letters of support, photographs, letters of agreement and/or memorandums of understanding (MOUs) that have been negotiated in the start-up of the grant, etc.

If you have multiple documents please create a single .doc or .pdf file to upload here.
