ENHANCED PATHWAYS TO ORAL HEALTH FOR WOMEN, INFANTS, AND CHILDREN INITIATIVE

- 1) **Name of the Organization:**
- 2) **Project Title:**
- 3) **Total Project Budget:**
- 4) **Total Project Request (not to exceed \$40,000):**
- 5) **Funding will be directed towards the salaries and professional development of:**
 - ☐ Community Health Workers
 - ☐ Primary Medical Providers (e.g. physicians, nurses, physician assistants, etc.)
 - ☐ Both
- 6) **Reviewer:**

Scoring Definitions	Total Points	Poor (1)	Average (3)	Excellent (5)
Organization Background How well did the proposal provide detailed information about the organization's capacity to meet the oral health needs of WIC-enrolled families?	5 pts	The project proposal does not align with the applicant organization's mission or history of work. The description is insufficient to provide a general understanding of the organizational capacity.	The project proposal modestly aligns with the applicant organization's mission or history of work. The description contains adequate information to provide a general understanding of the organizational capacity.	The project proposal clearly aligns with the applicant organization's mission or history of work. The description contains ample information to provide a clear understanding of the organizational capacity.
Project Narrative -Community Need -Strategic Thinking / Planning Approach -Impact (Measurements & Outcomes) -Sustainability	20 pts	The proposal has poorly-defined goals and/or does not include realistic or effective strategies to improve oral health care services for WIC-enrolled families.	The proposal has broadly-defined goals and/or includes marginally realistic or effective strategies to improve oral health care services for WIC-enrolled families.	The proposal has very well-defined goals and/or includes realistic or highly effective strategies to improve oral health care services for WIC-enrolled families.
Budget Effective and efficient provision of services is demonstrated in relation to the budget allocation. The allocation is reasonable and appropriate	5 pts	The budget is missing information or does not align with permitted expenses.	A budget was submitted but did not give a clear understanding of how funds will be used to advance project goals.	The budget form was completed in its entirety. The budget is realistic considering project scope and stated goals.
Total Possible Points:	___/30			

ILCHF Scoring Rubric

ENHANCED PATHWAYS TO ORAL HEALTH FOR WOMEN, INFANTS, AND CHILDREN INITIATIVE

1. ORGANIZATION BACKGROUND:

How well did the proposal provide detailed information regarding the organization's capacity to meet the oral health needs of infants, children, and mothers enrolled in the WIC program?

Organization Background (Maximum 5 pts)	Poor (1)	Below Average (2)	Average (3)	Above Average (4)	Excellent (5)
Demonstrated Capacity The organization's proposal demonstrated the capacity to meet the oral health needs of WIC participants. The organization currently operates a WIC clinic capable of expanding access to oral health care services during the grant period.					
Project Narrative Score:	___/5				

2. PROJECT NARRATIVE:

How well did the proposal identify goals and/or include realistic or highly effective strategies to improve oral health education, patient navigation, and integrated preventive care in WIC clinics?

Scoring Rubric (Maximum 25 pts)	Poor (1)	Below Average (2)	Average (3)	Above Average (4)	Excellent (5)
Community Need The proposed plan describes the needs of WIC participants specific to the geographic area to be served, and the oral health care concerns the organization plans to address.					
Strategic Thinking / Planning Approach The proposed plan describes a realistic strategy that increases the number of Community Health Workers and/or primary medical providers
